PROFESSIONAL SUMMARY

Motivated and detail-oriented Full-Stack Developer with hands-on training in front-end and back-end development. Recently completed a comprehensive full-stack development program, gaining solid skills in building dynamic web applications using modern technologies like HTML, CSS, JavaScript, React.js, Next.js, Express, Node.js, and MongoDB. Passionate about coding, problem-solving, and eager to apply my knowledge to real-world projects. Committed to continuous learning, collaboration, and growing as a developer in a fast-paced tech environment.

PROJECTS

- E-Commerce Platform (React + Node.js + MongoDB)
- A full-featured e-commerce site with user authentication, admin dashboard, and Stripe integration.
